September 2022

OpenArts Spring Exhibition 2022

October 14th to 24th

Yes! It does seem a bit early to be
advertising
for October but we have to do it.

Because we want you to know that we are
putting on our third Spring exhibition

'Now – THAT'S Different'

and each year we add an extra
'something different'.

Come and see what it is!

Opening evening - Thursday October 13th

Venue – The Macandrew Bay Hall

Of course, we will be putting out our
signs and posters to remind you and our
banners will be flying.

Local elections are held every 3 years by postal vote.

In Dunedin they give residents and other ratepayers the
chance to vote for a Mayor, 14 Councillors, Community
Boards and the Otago Regional Council.

The next election will be held on 8 October 2022

Dunedin Ratepayers and Household Assn, are holding a

MEET THE CANDIDATES

evening at the Macandrew Bay Hall
on Thursday September 8th at 7p.m.

Details of all the candidates were published in the ODT on
13 August and the ODT will cover all aspects of the election
and candidates during the next few weeks.

Candidates standing for the Otago Peninsula
Community Board (six required) are:-

Warren Chambers, Elliot Dixon, *Lox Kellas, Stacey
Kokaua-Balfour, *Hoani Langsbury (Independent),
Amanda McLean (Independent), Morgan Meyers,
Nicola Moreland, *Cheryl May Neill, *Paul Pope, *Edna
Stevenson, Nadia Wesley-Smith.

Macandrew Bay School

Simply the Best for our Children

We have had a great start to Term 3 at school. The tamariki have been busy so far with lots of fun learning opportunities including Maths Week, Winter sports, The Bayfield Art Exhibition, Kapa Haka and our awesome student-led conferences. For student-led conferences, the children prepare an age appropriate presentation where they share with their parents, what they have been learning to do at school in various curriculum areas. The children also share their goals with their parents about what they are learning and what they want to improve.

Our overarching concept for learning this year is Kaitiakitanga (guardianship, stewardship)

This term the tamariki are learning about how to celebrate, share and protect stories from those who came before us.

We will find out about who our local guardians of the past are and who can help us tell these stories.

The tamariki will explore the stories of the past about the Otago Peninsula and how we can learn from these stories to shape the future. We are learning about the history of our beautiful harbour (Mua Upoko) and finding out about why local Māori call Macandrew Bay, Te Rotopateke.

Our senior tamariki have been doing some wonderful mahi every Tuesday afternoon collaborating across our Senior school. We call this time Whakarangatira (Enrichment). The children have really been enjoying trying new and exciting learning opportunities such as: Knitting, Art, ICT / technology, Languages, Woodwork, Sewing, Cooking, Music, Science, Dance, Yoga / Mindfulness, Mathematics, Writing and Drama. We have some of our whānau and community members running workshops, as well as some of our wonderful Year 6 leaders, leading workshops too.

Nic Brown
Acting Principal

Keep up to date with the Otago Peninsula Trust and it's Attractions!

Royal Albatross Centre: Daily 10.15am until 4.30pm

Otago Peninsula Museum News

Otago Peninsula Museum & Historical Society Inc.
17 Harington Point Road, Portobello, Dunedin, 9014

The Museum recently held its AGM. Thanks to those who came along to hear what we have been up to over the past year.

The Tuesday morning volunteers have been busy, as usual, on various projects. Morning tea is a well deserved break from their work. Thanks to Tom Churchill who has been working on the Radar Hut that was once stationed down at the Heads. This is now open for visitors to see.

Please come along and visit the Museum. Some comments in our visitors book include

“Great history, well done team (from Whanganui)

An amazing collection

Love history, what a lovely place

Awesome little Museum

Absolutely wonderful

Great to be home”

The Museum is open every Sunday from 12.30 till 3.30pm. Adults \$2 and children are free.

Macandrew Bay Library

Library notes

Libraries, even small ones as the Macandrew Bay Library, are delicious places. Why? They are full of books and people who love books. Books can inform, enhance knowledge, create longing, change lives, bring people together (or induce a desire to be alone with the book), inspire, depress, and be all things to all people.

When I am on library watch and there is no one in the library, I often walk slowly around the shelves, wondering about the books I see. Every book in the library (other than the very new arrivals) has been read by someone. Sometimes the borrower will make a remark about the book they are returning— but not everyone. The returned book keeps its secrets until the next reader.

If you borrow a book and want to let us know about it, please do so. We would be delighted to have the information.

Lyn Dowsett

Our opening hours are
Wednesdays 5.30 to 7.30pm
Fridays 2.30 to 4.30pm

and the last Sunday of the month 4.00 to 5.00pm
(when a JP will be available)

New work—new website

Otago Peninsula Lions Club

What's going on?

A project here, a project there, using the abilities and availabilities of folk from in our ranks to add something of value to the community—plus, a certain amount of fundraising to enable the same.

We meet at 6:30pm on the third Thursday of each month in the Macandrew Bay Bowling Club for a meal, a yarn and an update. There is often a guest presenter with a topic of interest. If you are interested in becoming involved, or have ideas for projects we could help with, please get in touch.

Recent projects include:

- Enviro projects at Portobello, Broad Bay and Macandrew Bay schools
- Buskin Track upgrade
- Defibrillator for Macandrew Bay
- Peninsula Fruit Tree plantings
- Recycling through the Portobello "Hawk and Hurl"
- Assisting with school fun days

Pitching in to projects and seeing them come together, while enjoying the camaraderie, is fun and very satisfying. We always welcome new members young or old.

Contact people: Graeme Atkinson 021 316 924

Working towards a Predator Free Peninsula

Kia ora

There has been great progress made with recent possum trapping. Thank you to the many residents in Macandrew Bay and surrounding areas for your on-going support.

We are continuing to track down all the possums on the Peninsula for the next year and hopefully reach our goal of eradication. We are also looking to the future and our next pest species.

We are planning for stoat eradication, and we have a small amount of funding to support the community with rabbit control. A survey has been written about rabbits and stoats and we are wanting as many residents as possible to complete the survey. Please look out for this via e-mail or letter box drop and we would really appreciate your feedback and thoughts before we begin work in this space. If you would like to participate in the survey and for any other support with trapping possums, please get in touch.

Macandrew Bay Boating Club

It is a special and exciting year for Macandrew Bay Boating club, being our Centenary year. The Committee are now busily planning and organising for this as part of our upcoming 2022/23 sailing season, which will include, among many other things, a Centenary Regatta and Function close to the end of the season. Our sailing programme is yet to be confirmed but generally runs from early October to April, with club racing days every second Sunday.

As part of the Centenary, refurbishment of the upstairs of the club rooms is currently underway during August with some layout improvements, kitchen upgrade, and a fresh paint job to improve the facilities for our club members, as well as those hiring the club rooms for meetings or events. We are looking forward to this fresh start!

Our membership subscriptions are now open for 2022/23 Season, which can be signed up to through our website. Our membership options include Family, Senior, Junior, Paddler (Kayaks and Paddleboards), and we are also pleased to be offering a new membership option for Fishing / Power boats, which enable facilities to be accessed and boats to be washed down etc.

Our successful children's Sunday morning Learn to Sail program, for those 7-14 years of age, will get underway again in October (Start date to be confirmed) and will run most Sundays from 9:30am to 12:30pm. We are pleased to be offering this again this season at no extra charge as part of our Junior membership, or Juniors that are part of a Family membership. This is a great opportunity also for the families to be socialising at the club or getting out on the water.

After some much-enjoyed Adult Learn to Sail introduction sessions at the end of last season, we will also be offering Adult Learn to Sail courses this season. Watch this space for further information. Please email us if you would like to be added to our email lists. We will send any updates we have on these, or please also let others know who might be interested.

For any information or enquiries on the above and/or club room hire please see our website or email to the address below.

People in the Bay

Recently, in the Otago Daily Times, I read about Dr Branko Sijnja being the recipient of the Peter Snow Memorial award for outstanding contribution to rural health and I knew I wanted to find out more about this remarkable man who lives in Company Bay. I am lucky enough to know his wife, Heather, who loves gardening and volunteers her skills to Glenfalloch where, once a month, she joins a group to help in maintaining the garden.

Branko has just retired from his role as Director of the Rural Medical Immersion Programme at the University of Otago. Using this learning-through-doing approach, he guided some 300 medical students through their rural medical training. Branko loved working with students and passionately believes that gaining practical experience as an apprentice working under supervision and across multiple disciplines is a great way to learn and improve the many skills needed by medical professionals.

Branko Sijnja was born in Holland and immigrated to New Zealand with his parents in 1951. His father was a scientific officer in the Forest Service for many years until contracting polio. That initiated a change of careers so he became a science teacher at a Palmerston North High School, where Branko completed his schooling. After a year at Massey University, Branko came to Otago to study medicine. While there he met Heather, a dress designer, and they got married three days after his graduation. They returned to Palmerston North where he experienced professional bullying and very nearly gave up his medical career. Luckily he had a three month attachment to Dannevirke Hospital which restored his faith in the profession and created his love for rural medicine.

In 1974, Branko and Heather moved back south to Balclutha. At that time the Balclutha Hospital, built in 1928, was out of town and not particularly practical, having a quarter-mile corridor with a rise in the middle. But it was well used and busy. Branko was happily immersed in medicine and the community. Heather is of Scottish origin, and in 1976 when Branko applied, he was able to take up a position in Bridge of Earn, near Perth, Scotland, for a couple of years, and they made the most of the opportunity. It was a great experience and holds many happy memories for the couple. Their son, Arend, was born in Scotland. They returned to Balclutha Hospital and in 1980 Branko started his own general practice with Heather part-timing as his receptionist.

During the 1980s, the Government decided that rural general specialists weren't having enough focussed practise so centralisation was necessary, and the Balclutha hospital was designated for closure during the 1990s. This decision did not go down well with the community, so Branko, along with most of Balclutha's citizens, staged a protest through the Octagon in Dunedin and marched to stop the closure.

The community needed to have its own integrated medical facility so they decided to form a committee made up of a variety of people to take the initiative to

solve the problem. After careful deliberation and discussion, it was decided that a new centre in central Balclutha would be preferable, providing one place where all the medical professions could meet the needs of the community. It took a long time, but finally in 1998, the doors of Clutha Health First were opened. The old hospital closed on midnight November the 30th and the new facility opened a minute later on the 1st of December. Clutha Health First began with Branko and Heather sweeping the floors just in time to receive all the patients, who were shifted by Army personnel as a military exercise. A real example of the needs of the people coming first.

Most of us retire when we are in our seventies, but Branko decided to continue working as a General Practitioner for Clutha Health First in Balclutha. This requires travelling to Balclutha three days a week. On Mondays, he leaves Company Bay at 7.30 am, works from 9 am until 9 pm then drives home. On Wednesdays and Fridays, the work day is 9 am until 6 pm, still very long days. That is indeed dedication and shows the commitment he has to the Balclutha community.

Dr Branko Sijnja deserves the recognition given to him by the award of the Peter Snow Memorial Award for outstanding contribution to rural health by The New Zealand General Practice Network. Such a passionate, hard-working and dedicated person. A local hero.

Lynne Aldridge

Peninsula Bays Women's Institute meets at the Macandrew Bay Bowling Club on the first Thursday of the month, starting at 7.30pm.

We have now returned to meeting in the evenings after our members have enjoyed daytime gatherings over the winter months. At these meetings we enjoyed shared lunches and a variety of activities.

Future meetings for 2022 will see our members preparing their entries for the Eastern Otago Federation Competition Day to be held on Wednesday the 28th of September at the Macandrew Bay Hall, starting at 10.30am.

The public is welcome to attend. Cost for the day is \$5.00; bring your own lunch; tea and coffee are provided for morning tea and at lunchtime. There will be raffles for sale.

At other Peninsula Bays Women's Institute monthly meetings, we will have a speaker on Breast Cancer, celebrate our 91st Birthday at our November meeting and enjoy Christmas activities at our December meeting.

New members are always welcome. For further information phone Cynthia, our President on 476 1152 or Helen on 476 1519

Tena Koutou everyone

As I write this, I have just returned from a trip to town in my private car having taken one of my boys to football. I'm not sure how to articulate this whilst keeping professional. So here goes! To the three vehicles that overtook me ridiculously in the 40kmph zone when I was doing just that. You need to have a real good look at yourselves. You need to take stock of what really matters to you. You need to breathe and reflect on how your actions could affect others. You need to re-read your road code and you "need to go to Specsavers". To say I am disappointed is an understatement.

Rest assured if you want to run that gauntlet, then when I stop you, it will be your ball to hold and your money that will be wasted.

I guess by now you will all get the picture that I'm not very happy with a few of our road users. I don't get grumpy very often, but it would be fair to say I am. The new limits are here, and they are here to stay. They are here for a reason, so I implore you to abide by them. I'll leave it at that.

There have been a few incidents of damage and other inappropriate behaviour in Macandrew Bay in recent weeks. Unfortunately, our youth are at the forefront of this. Given what we have seen on the news in the past few months, this may come as no surprise. This is a nationwide trend no doubt.

Your Macandrew Bay store and Candy have been the target of a couple of these incidents. This is very concerning and not acceptable. I am actively investigating these incidents and again youth are at the forefront. When I was a nipper, I pushed the boundaries, but I also knew right from wrong, so I really don't get what's changed.

I'm sorry if there appears to be a bit of negativity in this blog from me but I think it is important to be real and say it how it is. We need to address the issues collectively and take responsibility for our actions.

On a more positive note, it's nearly Spring and the lambs will start frolicking in the fields. Hopefully the weather will improve although watching the news, we have had it pretty good compared to some up north.

Reported crime is on a downward trend which is pleasing. There are a lot of scams doing the rounds. Please take care when you receive an e-mail or text asking for your details or to click on this link or a message advising you

that you are entitled to this and that. These people prey on the vulnerable. It is so easy to get caught up in this type of situation.

It is noticeable that our elderly are the most at risk. I see an elderly person in New Zealand lost over \$120K recently. Heart breaking situation to say the least. If you have someone in your whanau that may be vulnerable, please have a conversation with them about this type of crime.

Remember if something is happening now and requires immediate police attendance call 111. If something has already happened and is not so urgent call 105 to make a report.

Until next time take care of one another and remember my door is always open for advice or just for a cuppa and a chat.

Sr. Constable Aaron Smith

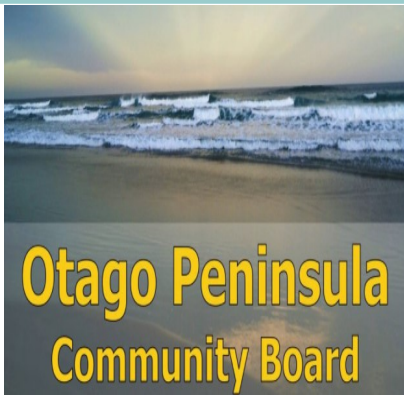

Save the Otago Peninsula News

Save The Otago Peninsula (STOP) has successfully raised funds to fence two areas on the Hereweka Harbour Cone Block: one was an important bush remnant with some rare plants in order to protect it from grazing; and the second was the Second Tributary of the Smiths Creek Catchment allowing planting of the "Future Forest" to continue. There is a shortfall of funds for the plants for the latter area and STOP has begun a Givealittle page to raise the necessary money: <https://givealittle.co.nz/cause/tree-appeal-2022>. This closes on 31st August but you can still donate directly after that date. Use the contact details below.

Regular planting bees with any necessary tools provided, meet at the end of Bacon St in Turnbulls Bay (the next bay past Broad Bay) every Tuesday and Sunday (and possibly Thursdays during September) at 9.30am.

Contact: Email stopincsoc@gmail.com or text (only) Lala 027 8756 020.

With Winter throwing extreme weather at us it is heartening to note that the days are drawing out and a few daffodils and blossoms are indicating Spring is not far away. However the weather has certainly affected our travel plans with slips, rockfalls and detours creating some issues. The roading contractors have been doing a fine job in keeping our access to the city open and we can only hope our travel life returns to normal quickly. Living on the Otago Peninsula is a pleasure and it is not too difficult to be patient when there are disruptions.

The Otago Peninsula Community Board had its last meeting for this triennium in July. The Board members have worked hard to maintain a good flow of communication with the community to ensure our residents get their concerns heard and responded to in a timely manner. While we may not be able to change everything which irritates us, we do keep on advocating to get the best results possible. We seem to have had years of road disruptions through the Peninsula Connection Project and look forward to the final stages being completed.

It has been pleasing to see the Conway Street culvert is being maintained to ensure the water flowed freely during recent rain events. The Marine Parade fencing issue has been resolved, and the signage for access by cyclists through the Boating Club carpark on regatta days has been a good temporary fix while we await the pathway improvements. The speed humps installation has had its problems but it is hoped this makes the area safer for all users.

As we approach the Local Body Elections we wish to thank our community for their support and input into continuing to make our area a safe and progressive environment in which to live.

Edna Stevenson
Otago Peninsula Community Board

Congratulations to —

- ⇒ Catherine Lund, who finished first in the women's under-18 national cross-country championships held at Taupo's Spa Thermal Park recently.
- ⇒ Norman and Roger Oakley, who were joint winners of the Ron Frost Award at the Motorsport New Zealand Awards in Auckland recently. Their "vision, commitment and selfless contribution" to rallying and motorsport in New Zealand was cited, along with their work as competitor, club member, event organiser and official over several decades.

4 Conway Street, Macandrew Bay

With the change in season comes the promise of gradually longer and warmer days. While our tamariki have enjoyed heaps of fun activities this winter such as painting, play dough, music and story time, we are all looking forward to spending more time playing and learning outside in the coming months.

The arrival of spring brings a special opportunity for our tamariki to learn more about the seasons, the weather and new life. The Playcentre Aotearoa philosophy embraces child-led play, and at this time of year valuable learning experiences are so easily found by playing outside in nature. As we begin to spend more time outdoors, we will also continue our focus on kotahitanga, helping our tamariki to share with each other and work towards common goals during group activities.

Part of what makes Playcentre such a special community is that parents and whānau become teachers for our tamariki. Playcentre provides access to free, NZQA accredited adult education. On this note, we would all like to congratulate Katherine on completing this study and being awarded the Playcentre Level 4 Early Childhood Education and Care Certificate. Also, a special mention to those who took the time to attend an on-site workshop in August to complete the first module towards this certificate.

In other news, we wish to celebrate the arrival of Daisy Frampton, baby sister of Hemi and Jack. We look forward to watching you grow! We farewelled two of our tamariki last term, Raya and Rocco, who have both attended our Playcentre since they were babies. We miss them and hope they are enjoying school.

There will be a lot of fundraising activity going on at the centre in the next few months. Those of you who are in the market for Whittakers chocolate treats, 'Who Ate All The Pies' baked delights or the very durable and eco-friendly stainless-steel clothes pegs, feel free to get in touch with us (contact details below) and we will touch base once we have these products available for sale. We will also be holding a raffle and selling tickets soon. Thanks in advance for supporting our Playcentre.

Macandrew Bay Playcentre open hours are as follows:
Monday, Tuesday, Wednesday and Friday
9am - 1pm
(Excluding school holidays)

If your whānau would be interested in joining us at Playcentre please get in touch.

Email: macandrewbay@playcentre.org.nz or send us a message via our Facebook page.

Whānau tupu ngātahi — Families growing together

Have you made plans for Christmas lunch? Maybe you're feeling like a year off cooking this year? Larnach Castle is offering two lunch sittings. One at 11.00am and a second at 2.00pm.

The menu is a three-course traditional Christmas menu, starting with a festive glass of bubbles.

This lunch sells out very quickly. Please contact Trudi at functions@larnachcastle.co.nz for more information.

Mistletoe Madness 25th of November 2022 and 1st of December 2022

These events are a perfect way to celebrate the end of the working year. They work very well for small and medium size groups.

The tickets include return tickets from the Dunedin Railways station, a complementary drink on arrival, lavish Christmas buffet and live entertainment. This year the band is Sidewalk Sally.

Ticket price is \$120.00. If you are interested, please email Trudi at functions@larnachcastle.co.nz or phone 03 746 1616

Dinner at Larnach Castle

Did you know we offer a four course 'Trust the Chef' dining experience at Larnach Castle. The meal is served in either the Music room or the original Larnach dining room. This is an excellent way to celebrate a birthday or a special event. We are open every night of the week. Bookings are essential please email reservations@larnachcastle.co.nz

'Loyal local' pass

Have you used your 'Loyal Local' card lately? The coming months are the perfect time to see the garden dressed up for Spring. If your pass has expired, you can renew for \$18.50 for a Garden pass or \$37.00 for Castle & Garden, valid for 12 months.

Tour Guide's positions available at Larnach Castle

We have a number of part-time fixed term tour guide positions available. Do you like interacting with people and have a love of history? If so, this might be the job for you.

This position allows us to work around your availability .

If you would like to learn more about the position please email deborah@larnachcastle.co.nz or call 03 476 1616.

SEEK WEEDS AND TERMINATE

The SWAT (Seek Weeds and Terminate) group of 8-10 volunteers meets every Friday morning somewhere on the Peninsula to target invasive banana passionfruit, Darwins Barberry and Chilean Flame Creeper pest plants. If you see us in our orange hi-vis SWAT vests, come and have a chat - and if you catch us at morning tea, we'll give you some cake! To find out more about what we do, check out our SWAT display board at the Biodiversity Hub in Portobello on a Wednesday afternoon or better still ... watch our movie!

Some of us recently became movie stars!

SWAT member Beth Wishart made a great three minute film for her Science Communications course. It tells the story of SWAT and what we do and you are invited to watch this charming and informative film on this link: www.vimeo.com/723925845

Quiz: what's this?

Here's our HORROR PEST PLANT photo for Spring. Looks good eh? But these are NOT raspberries. This is the massive bright red ripe seed head of a Bomarea invasive vine. Birds are attracted to the juicy red seeds and disperse them far and wide. If you see one of these scarlet ladies, email us straight away. We need to know where Bomarea is located on the Peninsula.

Remember – we'll help you for free - so if you've got a strange plant or vine you think could be an invasive pest plant, write to us! We enjoy hearing from you! Email us at SWATweeds@gmail.com for help and advice!

Did You Know?

⇒ For nearly 2 years (Dr) Stella Cullington has campaigned for a bus shelter at the intersection of Mission Cove with the Peninsula Road. The Mission Cove development is now fully built up and there was no seat or shelter if the weather is very wet or windy. With the help of Christine Garey intervening with the Otago Regional Council, the shelter has at last been installed in early June! Marvellous.
